Welcome to the Formosa Journal of Multidisciplinary Research (FJMR), a platform dedicated to advancing scholarship across a diverse range of academic disciplines. Our mission is to encourage research that transcends conventional boundaries, fostering an integrative approach to understanding complex global challenges through a multidisciplinary lens. By bringing together perspectives from fields such as social sciences, technology, health, environmental studies, humanities, and beyond, FJMR serves as a nexus for knowledge that bridges gaps and enriches understanding across academic domains.

In this inaugural issue, we are proud to present contributions from researchers who are exploring a wide spectrum of topics and methodologies. Each article has been selected based on its originality, rigor, and potential impact on its respective field, as well as its relevance to the multidisciplinary approach we champion. Through rigorous peer review, our editorial team and dedicated reviewers have ensured that every piece of research upholds the highest standards of academic quality and integrity.

The Formosa Journal of Multidisciplinary Research aspires to become a catalyst for scholarly dialogue and collaborative research, inspiring readers to consider new perspectives and apply integrative approaches in their own work. We believe that by combining insights from various disciplines, we can better address today's most pressing issues, from technological innovation and healthcare improvements to sustainable development and cultural understanding.

We extend our deepest gratitude to the contributors, reviewers, and editorial team who have played an integral role in bringing this journal to life. As you explore this issue, we hope you find inspiration in the diverse perspectives and are encouraged to contribute to future editions of FJMR. Together, we look forward to building a robust, inclusive community of scholars united by a shared commitment to multidimensional exploration and discovery.

Thank you for your support, and welcome to the Formosa Journal of Multidisciplinary Research (FJMR).

Happy reading

Professor Jen Peng Huang, Ph.D
Editor in Chief
